## TRAINING ENGINEERING INTERNSHIP (M/F/D) —BG-S

**Contract** : Internship

**Start day** : 1<sup>st</sup> June, 1<sup>st</sup> July, or 1<sup>st</sup> September

**Duration** : 6 months

**Location** : Molsheim, France

### REQUIREMENTS

---

- Student in Master I or II in Human Resources, ideally in the field of training engineering
- Initial experience in an internship within an industrial company would be desirable

### SKILLS

---

- Knowledge of human resources management, mainly in the field of training engineering
- Very good IT skills
- Basic knowledge in French Safety regulation
- Professional French and English

### TASKS

- Analyse the legal requirements relating to safety training, in collaboration with the Safety and Human Resources departments.
- Participate in the development of a detailed annual safety training plan (including refresher training) for each position in the company to ensure optimal planning and monitoring of training.
- Analyse the possibility of setting up on-boarding sessions via an e-learning platform.
- Create contents to be integrated into the platform with the session managers, and ensure a system for validating the acquired knowledge.
